Student budget checklist

Synthetic QA example only. These are test figures, not personal records.

Monthly targets

Monthly income: USD 7500.
Savings target: USD 500 per month.

Review checklist

- Review spending and categorize new transactions.
- Set aside the planned monthly savings.
- Check progress toward the savings goal.
- Review original source documents before changing a plan.

Notes

Record any income changes and update the budget at the next monthly review.
